Five Years

Verse

Bridge

Verse 1

G
1 Pushing through the market square

Em
So many mothers sighing.

A
News had just come over,

C/G
We had five years left to cry in.

G
News guy wept and told us

Em
Earth was really dying.

A
Cried so much his face was wet

C/G
Then I knew he was not lying.

Verse 2

G
2 I heard telephones, opera house,
favorite melodies,

Em
I saw boys, toys, electric irons
and TV's.

A
My brain hurt like a warehouse,
it had no room to spare.

C/G
I had to cram so many things to
store everything in there

Bridge

Am **C/G**
3 And all the fat-skinny people,

Am **C/G**
And all the tall-short people,

G **C/G**
And all the nobody people,

D7
And all the somebody people.

I never thought I'd need so many
Am C/G
people

C/G
Don't think you knew you were in
this song.

Verse 3

G
4 A girl my age went off her head,
Em
Hit some tiny children.

A
If the black hadn't a-pulled her
off,

C/G
I think she would have killed
them.

G
A soldier with a broken arm,
Em
Fixed his stare to the wheels of a
Cadillac.

A
A cop knelt and kissed the feet of
a priest,

C/G
And a queer threw up at the sight
of that.

G
I think I saw you in an ice-cream
parlor,

Em
Drinking milk shakes cold and
long,

A
Smiling and waving and looking
so fine,

Verse 4

G
5 And it was cold and it rained so I
felt like an actor

Em
And I thought of Ma and I wanted
to get back there,

A
Your face, your race, the way that
you talk,

C/G
I kiss you, you're beautiful, I
want you to walk!

Ending

G
6 We've got five years, stuck on my
eyes,

Em
We've got five years, what a sur-
prise,

A
We've got five years, my brain
hurts a lot,

C/G
We've got five years, that's all
we've got.
